## Employment

### Babysitting Policy

The Setting does not encourage staff to provide care for children who are attending the Setting outside of the normal opening hours.

However, the Setting recognises that some arrangements for babysitting may already be in place between families and staff, prior to the child starting pre-school. The Setting accepts that these existing arrangements may continue after the child has started attending the Setting. Staff should disclose such arrangements to the Executive Manager immediately.

These pre-existing arrangements are completely private and not connected in any way to Scalliwags Pre-school. The pre-existing arrangements are between the individual and family only. Scalliwags is not in any way responsible for such private agreements.
